Access your Intact Insurance information online

---

*Did you know?*

Paper production is the third largest polluter of air, water and land in Canada.\*

Let's go paperless together.

Intact Insurance launched its Client Centre website to provide you with easy, secure, online access to your policy documents, billing statements and claims information.

### How will Client Centre benefit you?

Client Centre is the online way to access your insurance information and enjoy several benefits, such as:

#### Online access

24/7 anywhere, from any device with an Internet connection.

#### Ability to track

open claims with real-time status updates.

#### A choice

to receive your policy information online, instead of a paper copy.

#### Convenience

with easy handling of documents online and no paper storage required.
