

Introducing
Client Centre

Your paperless solution from Intact Insurance.

Did you know?

Paper production is the third largest polluter of air, water and land in Canada.*

Let's go paperless together.

Intact Insurance launched its Client Centre website to provide you with easy, secure access to your policy documents, billing statements and claims information.

How will Client Centre benefit you?

Client Centre is the online, paperless way to access your insurance information and enjoy several benefits, such as:

Online access

24/7 anywhere, from any device with an Internet connection.

Ability to track

open claims with real-time status updates.

Convenience

with easy handling of documents online and no paper storage required.

What do you need to do?

Contact us to ensure we have your email address so that you receive important information regarding your Intact Insurance policy and payments.

Visit our website, click on the Client Centre banner and register today!
