

Client Centre is coming...

and we're going paperless!

We are excited about the upcoming launch of Client Centre - our secure website that lets you and your customers view their insurance policy information online, including:

- policy documents
- billing statements
- real-time claims status updates

Client Centre provides the perfect opportunity to offer additional convenience to your customers as a paperless solution, at no cost to you. Going paperless has many benefits, including reducing paper clutter, freeing up storage space, and reducing our environmental footprint.

Choose the **paperless option** for all your Intact Insurance Personal Lines customers.

STEP

1

Sign the agreement

Your Business Development Manager has all the details

STEP

2

Send us your logo

Confirm the information for your brokerage and send us an EPS or SVG logo file via the following link:
http://ontario.intactinsurance.com/Client_Centre_Logo/

STEP

3

Promote Client Centre to customers

We'll provide you with marketing and communication tools to help you promote Client Centre and going paperless to customers

BROKER BENEFITS

- Co-branding:** Make sure we have your logo and the site will be co-branded for customers
- One view:** You see what customers see
- Save time:** Reduce administrative touch points in your office so you can focus on value-added activities

CUSTOMER BENEFITS

- Convenience:** Access Client Centre online 24/7, from any device with an internet connection
- Paperless option:** All your policy information is online – no bulky packages, no paper storage
- Claims Tracker:** Access real-time status updates for open claims

Contact your **Business Development Manager** today to go paperless!
