

# Intact Insurance App

Convenient • Reliable • Paperless

Intact Insurance has made it easier for you to access your insurance policy information on-demand with the Intact Insurance App. You can enjoy the convenience of viewing your policy documents, billing statements and real-time claims status updates at your fingertips.

Register today and use the same email address and password to log into the Intact Insurance App or our secure Client Centre website!

### Go paperless today!

With access to your policy right at your fingertips, you can do your part to help the environment by going paperless. Just sign into the App or website and choose paperless in the profile section. Your Proof of Insurance (pink card) will continue to be mailed to you.

If you have any questions or would like to discuss any updates to your policy, please contact our office.
